The Box Factory

The 2023 Green Gala will be the Signature Event of the Southwest Michigan Sustainable Business Community

Back after a three-year hiatus, the Southwest Michigan Green Gala will return to the Box Factory in St. Joseph to celebrate sustainability and sustainable business in the region.

An opportunity to spotlight local organizations and professionals that are driving positive outcomes for their environment, community and economy, the Green Gala will feature the 2023 Southwest Michigan Sustainable Business of the Year Awards and Hall of Fame induction.

This year's event will include a hosted bar of local beer, wine and cocktails. Tickets are \$65 and will go on sale the week of March 20 at greengala.misbf.org.

Celebrating Sustainable Business in Southwest Michigan

Michigan Sustainable Business Forum and Michigan's Great Southwest Sustainable Business Forum promote business practices that advance climate leadership, social justice and the creation of a circular economy.

We are Michigan's leading organization for beyond-compliance sustainability, with a community of practice featuring our region's most recognizable brands, largest employers and most innovative entrepreneurs, advocates and educators. This fall we will again celebrate the accomplishments of our region's sustainability and sustainable business leaders at the Fourth Annual Southwest Michigan Green Gala.
